

Principal Search Process is Underway!

The Principal Search process, which is facilitated by the Diocesan Education office, is underway. The Search Committee will be comprised of Father Ireland, Father Klasinski and Susan Pohly, Assistant Superintendent of Diocesan Schools. In addition, each Pastor will select an education professional and two representatives from each Parish.

To avoid potential conflicts of interest, current parents are not eligible to be on the Committee, but can provide input regarding Principal qualities and attributes. This can be done by completing the questionnaire accompanying this Chatter. The questionnaire is also available on each school's website.

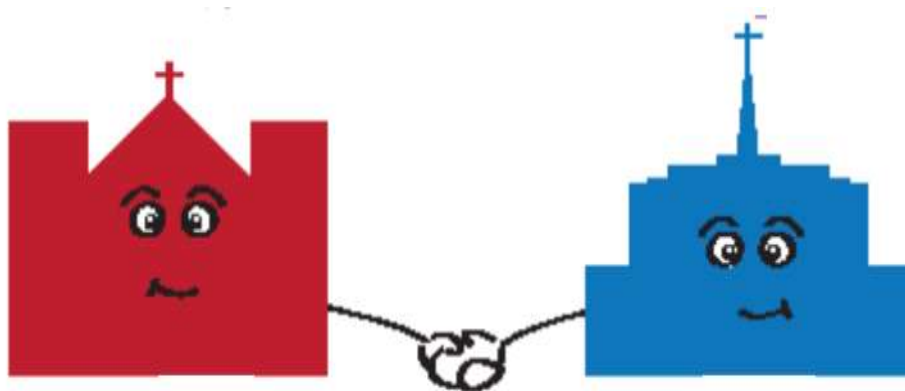

The Principal position will be posted on the Diocesan website as soon as possible. Interviews are planned to begin later in February or early March.
