

Welcome to the Inaugural Edition !!

Corpus Christi Chatter designed to give you current information, let you know about important upcoming events, and to answer questions. We plan to publish "Chatter" at least weekly.

Corpus Christi Welcome Sunday January 24th 1:00 to 2:30 p.m.

Please visit the home of Corpus Christi Academy, the current St. Clare school property, at 5659 Mayfield Road, Lyndhurst. Both St. Clare and Sacred Heart of Jesus parents will be there...a great opportunity to meet each other.

Tentative agenda:

1:15 - Prayers and welcome comments by Father Ireland and Father Klasinski

1:30 - Visit your children's classroom. Meet teachers, other parents and students from both schools

2:00 - Tour the facilities and, if you want, meet the pastors with questions and comments.

Student Shadow Opportunity

The Principals and teachers of both schools are planning visits by Sacred Heart of Jesus Academy students to the home of Corpus Christi Academy. These visits will occur during the weeks of January 18th and 25th. This is an opportunity to not only see the facilities, but also to meet future classmates. PLEASE do not try to schedule your own Shadow Day. As you can imagine, the logistics to accommodate 175 students will take careful planning.

New Questions & Answers

In response to your questions and comments, over twenty new Q&A are available on the Corpus Christi Academy tab on each school's website. If you have more questions or comments, please e-mail questions@corpuschristiacad.org And if you have additional thoughts, please contact your Principals, Father Klasinski or Father Ireland.

Registration The Registration Agreement will be available by the end of the day on Friday January 16th, on both school's websites and at school offices. It is critical that you register by February 12 to ensure the success of Corpus Christi Academy. In the meantime, here is K-8 tuition information:
